Digital Business Enablement

NPI / NPD Innovation Maturity Model

Continuously transform with innovation capabilities to stay ahead of your competitors

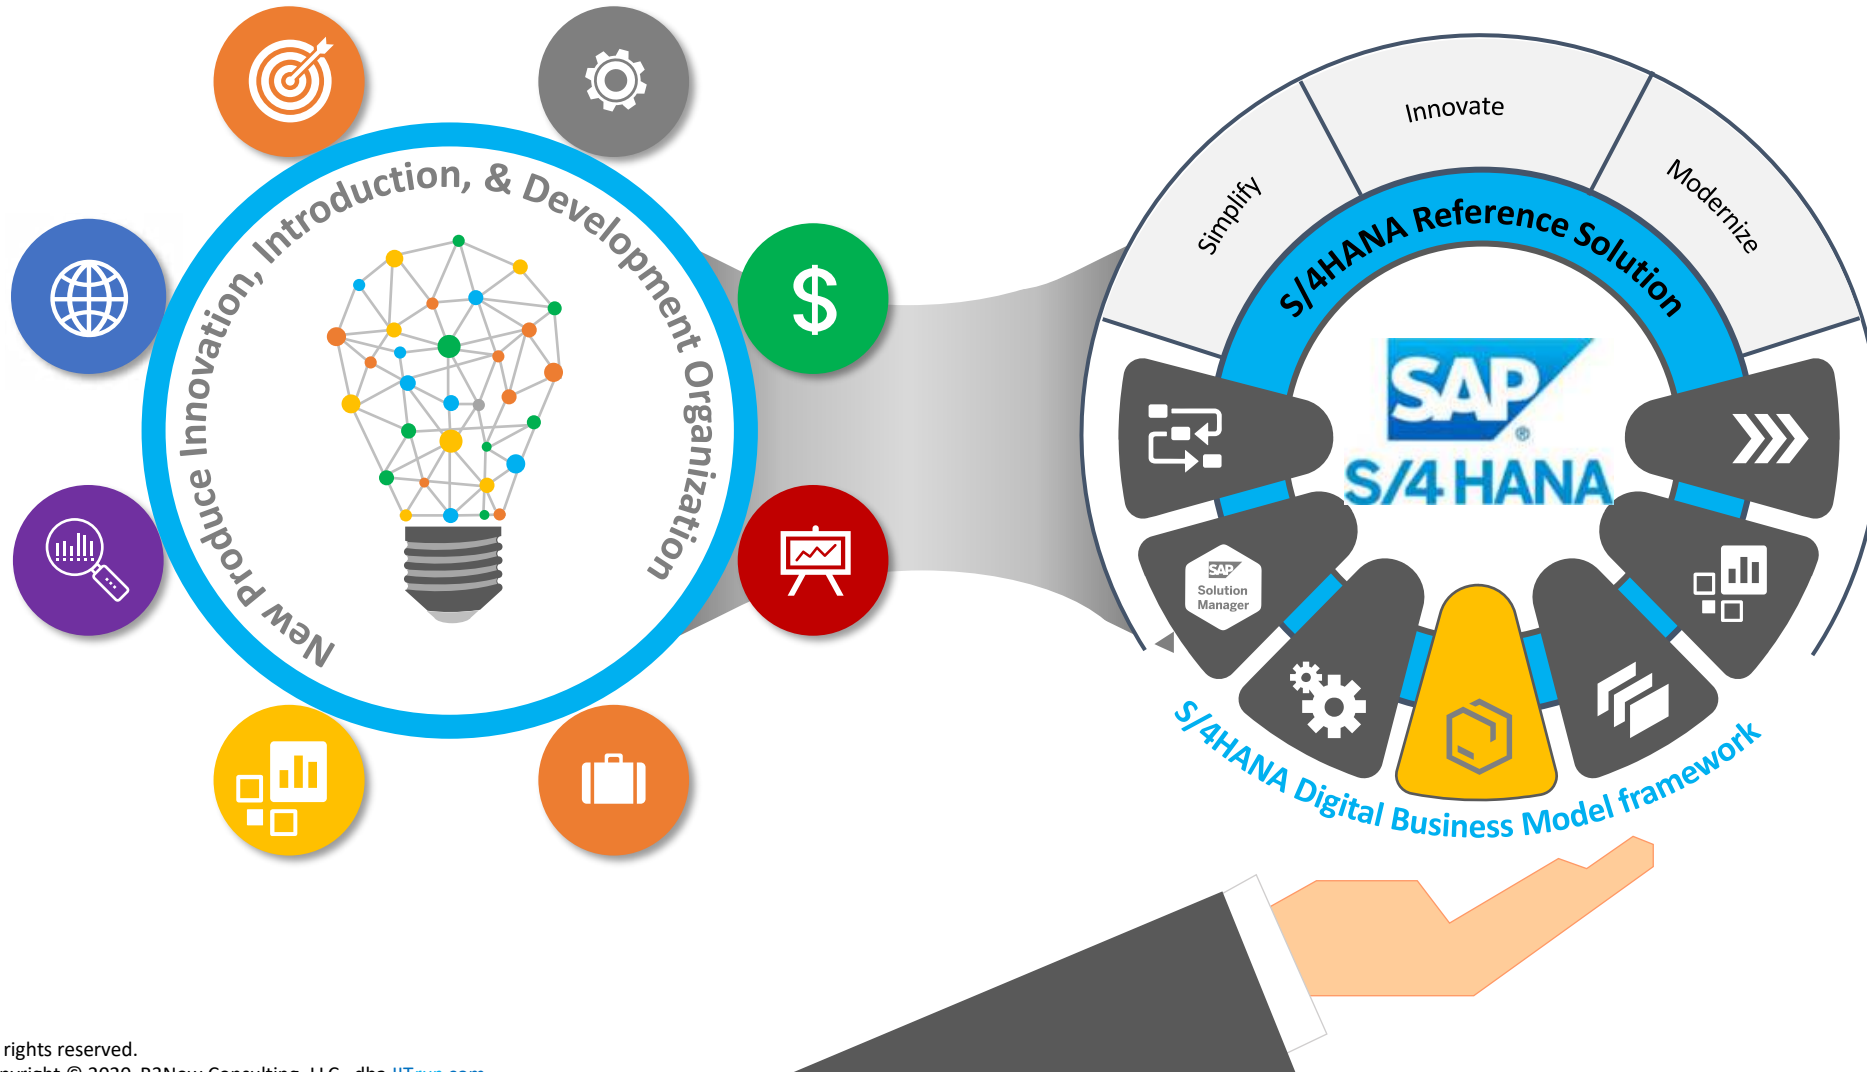

© 2019 iitrun.com – based on original and derived work through research by M. Ritter, H. Schanz (2018). The Sharing Economy: A comprehensive business model framework. Journal of Cleaner Production (Dec. 2018). <https://doi.org/10.1016/j.jclepro.2018.12.154>

Intelligent Enterprise Transformation

S/4HANA enabled new innovation digital operating models

INNOVATE. INTEGRATE. TRANSFORM. RUN.
enabling you to go further

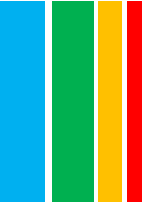

Embrace Digital at Scale by adopting solutions for overcoming obstacles to greater customer centricity.

More than just technology delivery, we help with the innovation organization, technology integration, business model transformation, and then with the ongoing Run support for all of it.

Intelligent Enterprise *DigitalOps* Transformation Model Option

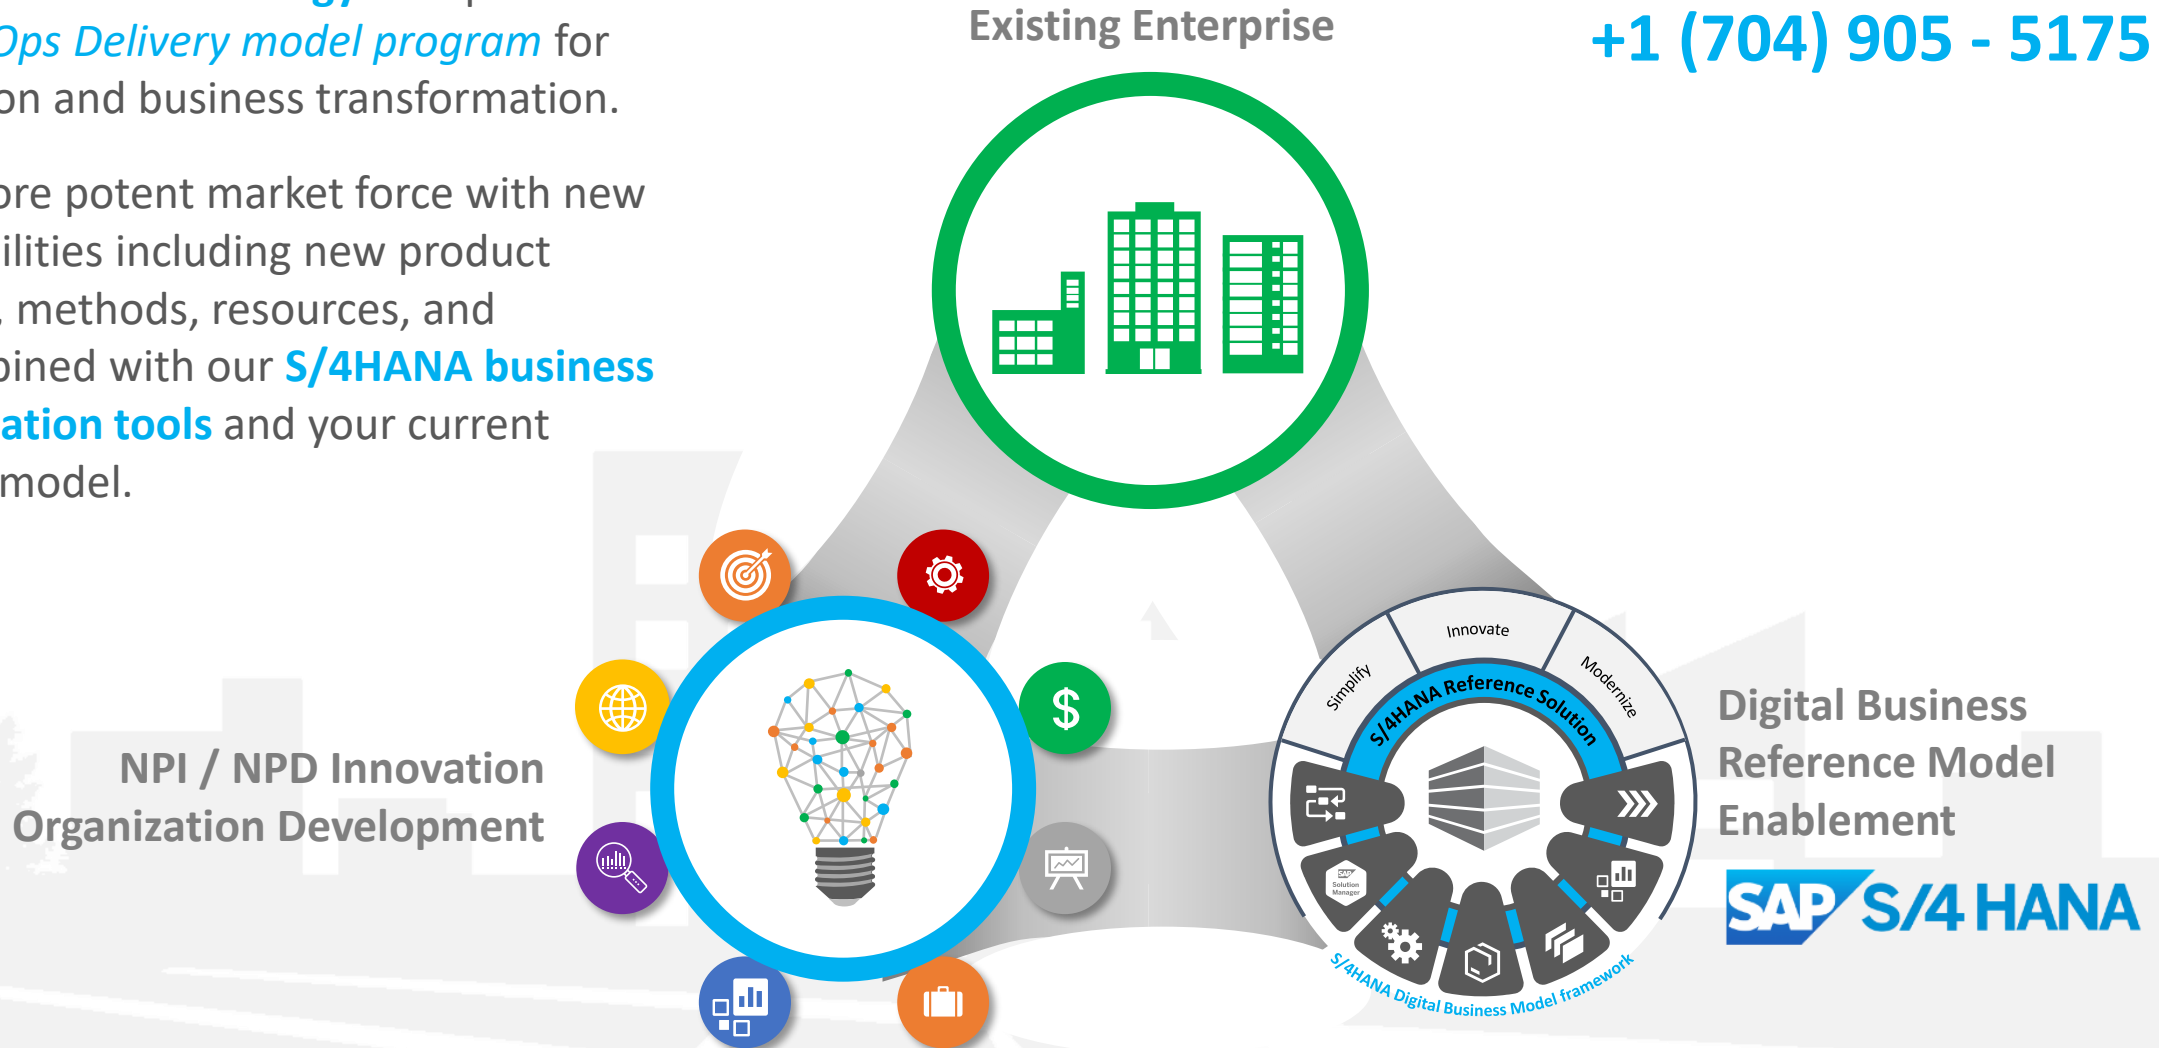

Continuous transformation business model aligned to our Innovate, Integrate, Transform, and Run approach

More than just the SAP technology. We provide a complete *DigitalOps Delivery model program* for ongoing innovation and business transformation.

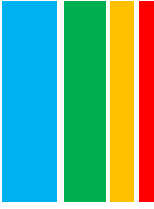

You become a more potent market force with new innovation capabilities including new product processing, tools, methods, resources, and approaches combined with our **S/4HANA business model transformation tools** and your current organic business model.
